

Sewing Instructions for Bags for Kids

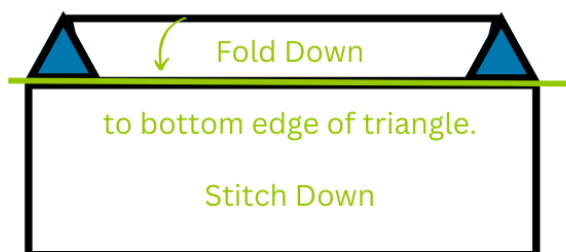

1. Finished bags should resemble a standard size pillowcase with a NARROW opening for pillow.

2. Top Casing:

- On each corner turn down 2.5-inch triangle and stay stitch at corner

- Fold down top even to bottom edge of triangles. Stitch with 3/8-to-1/2-inch allowance across bottom of fold, edge to edge, to secure.

3. Side Fold Bag:

- Fold bag and sew side seam and bottom seam. Square bag bottom.

* Squaring the Bottom of the Bag:

- Fold so that the side seam and bottom seam are centered. Stitch across triangle formed by folding.
